The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The Murphy, Raboin and Amrein references pertain to dispensing valves with associated fitment attachments and associated valves.

The following is an examiner's statement of reasons for allowance: none of the prior art, alone or in combination, teach Applicant's invention of a dispenser valve and container comprising a combination first component, a valve assembly with a seal retaining component defining a second flow passage and a resilient seal member located in the second flow passage, and an outlet spout, as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Steven O. Douglas whose telephone number is (571) 272-4885. The examiner can normally be reached on Mon-Thurs 6:00-6:30.

The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
